### COMMENTS ON THE EXAMINER'S REASONS FOR ALLOWANCE

Payment of the issue fee by the applicant does not constitute a concession that (a) there may not be other good reasons for the patentability of the allowed claims, and other claims, (b) the examiner's characterization of the cited references may not be incorrect or incomplete, or (c) the examiner's characterization of the differences between the references and the claims may not be incorrect or incomplete.

During the prosecution of the application, the applicant contested the examiner's position with respect to the scope of the disclosures of at least some of the references recited in the examiner's reasons. The applicant did not and does not concede the examiner's position on those references and to that extent disagrees with the examiner's reasons.

Please apply any additional charges or credits to our deposit account no. 06-1050, reference 12016-0002001.

Respectfully submitted,
